

## WHEN WE DRAW

When we draw, we must decide on the style we want to use. Drawing something the way it really looks can be called **realism**. If we want to draw in a realistic way, we must look carefully at what we see. Look at the two drawings below:

*Drawing A*

*Drawing B*

### Answer the following:

1. Which drawing do you like better? (*Drawing A*, *Drawing B*)
2. Which drawing looks more realistic? (*Drawing A*, *Drawing B*)
3. Explain why it looks more realistic. \_\_\_\_\_
